

As part of the Cinema For All [LIFT package](#) to help relaunch community cinemas, we have worked closely with our distributors to bring you two offers to help with costs. A wide range of titles on the Booking Scheme are now available for either a *3for1 licence **OR** a **£50 lower cost licence fee. These offers are available for screenings taking place between 14/05/2021 and 31/08/2021 **ONLY**.

All films on the Booking Scheme are currently offered on a 'screen from your own copy' basis, meaning you must screen the film from your own purchased DVD/Blu Ray or official digital purchase e.g., iTunes. Some films are not available on these home entertainment formats. In these cases, we will work with you and the distributor to send you a screener disc or link. You will be notified if this is the case once we have received your booking.

Please use this [booking form](#) to request any of the titles in this list and to select the offer you prefer (either 3for1 OR £50 lower cost licence). All other [Booking Scheme terms and conditions](#) apply to these bookings, as well as any other bookings of Booking Scheme titles outside of this list.

We hope these offers are helpful to your community cinema during this difficult time. We'd also like to share our wholehearted thanks to our distribution partners for helping to make this possible.

*You can screen the film up to three times over three consecutive days for a £90 flat fee.

**The film is available for a £50 flat fee and can only be screened once per booking.

To find more information about any of the films on this list, simply click on the title which will take you to the film's page on our website.
